Newsletter to TEE Coordinators and Tutors March 2010

Dear Co-worker,

Greetings from the DTE Banz in Jesus name.

Hope this "Everywhere" finds you well.

Paul encouraged Timothy to "take the teachings, he received from him and entrust them to reliable people who would be able to teach others" (2Tim 2:2). Would we say that you are the reliable people who have been teaching others of the salvation that is in Jesus Christ? As the matter of fact; you can't deny this, it is your calling. You are doing heavens' business. Continue to pursue with your plans for this year, investing in eternity is better contrasting our earthly investments. We are proud of you.

CONGRATULATIONS CCF GRADUATES.

A new milestone for CLTC TEE when it saw four students graduating with a *Certificate of Christian Foundation Awards* for the first time in the CLTC annual graduation last year (2009). We encourage all our CCF students, its' a challenge for you now that you should strive to obtain yours.

"CLTC POM CENTRE RECORDS HIGH INCREASE IN TEE ENROLMENTS"

We have got cause to rejoice with the hard working TEE partners, **Emmanuel, Karl, Albert, Kewai** and others at the CLTC POM Centre for recording a 200 plus enrollments with a successful graduation in 2009. It is believed TEE has penetrated many city Churches. A

vibrant and growing ministry, it is perceived that the enrolments may double in the years ahead. We rejoice with you brothers and appreciated the effort you put in for this fruitful but, stressful and tiresome task. God bless you all.

Please pray with the POM Centre:

CLTC POM partners with the churches to introduce TEE! The need to raise funds to fund TEE programs for year 2010 as well as fund Albert Doka's involvement with TEE.

TWO YEAR CCF PROGRAM A SUCCESS STORY.

While many Bible Colleges have shown keen interest in the *Two Year Certificate of Christian Foundation*, three have already embarked on the program AOG Northern Bible College (Maprik), Wesleyan Bible College (Mt Hagen) Christian Apostolic Fellowship Bible College (Mt Hagen) Christian Training Centre, Mapodo (Western Province) are using TEE in their curriculum. A GUIDELINE TO THE TWO YEAR CCF PROGRAM is available for Bible Schools who wishes to incorporate the program. Write for more information.

CHRISTIAN APOSTOLIC FELLOWSHIP (CAF) PRINCIPAL CONFIRMS CCF IS RELEVANT.

My name is Pastor **Patrick Joshua**. I'm the Principal of CAF Bible College Mt Hagen. I'm excited and appreciative of the Two Year CCF CLTC TEE has to offer. As I teach the course, I see that the Discipleship, Bible & Theology and Ministry courses are just what I needed to teach my students. Those courses had the potential to ground my students for their future ministries.

BOUGAINVILLE TEE GOING WELL

Sometimes for a woman to coordinate a program like TEE may be a stressful and burdensome task, but for **Imelda Ipmahuasi** it is a different story to tell. After graduating from CLTC she went with her girlfriend Ruth to Bougainville to serve her church. But, deep down in her heart she has had the desire to plant TEE across Bougainville. It's been a several years now that she had been coordinating TEE ministry. Imelda has several TEE groups.

In the CLTC graduates refresher course the students saw a need for a TEE coordinator in Bougainville, but seen that Imelda had already embarked on the role, it was suggested that she continue with the coordination. Thank you Imelda for the great work you are doing.

I'm Imelda, after the crisis the people are rehabilitating back into society. Pray with us for the Churches & Bible Colleges to catch the vision of TEE and form groups in their respective churches and college .Jesus still reigns in

CHURCH NEEDS TEE, SAYS STUDENT

Shadrack Paraka, CLTC student on internship saw TEE was one of the avenues for teaching and helping his people to fully understand the Bible and become mature in their Christian faith.

Shadrack has decided to form a TEE group in the Baiyer area of the Western Highlands Province.

I'm Shadrack; after I have gone through the TEE Tutors course, I see that TEE courses are very relevant and helpful to teach my people in the church. The churches should take ownership of a program like TEE to combat false teachings in our country

APPEAL TO TEE TUTORS

I appeal to all our faithful TEE Tutors, please if you are a CLTC registered TEE Tutor; I would encourage you to form TEE groups and make awareness wherever you are. It is not that easy, and that's for sure; but it is our eternal investment. Seek the Lords' plan for your life, reflect Christ to those others around you. Revive your intimacy with the Lord. When you really mean business you may see God at work in your TEE ministry. We remember you in our daily devotion here at Banz. Be encouraged, keep pressing on the journey is not yet over.

ANNUAL TEE GRADUATIONS

In the outset I would like to remind us that, DTE would really appreciate it, if you would invite us to your TEE graduations. We can share the cost of transportation, CLTC one way and the host one way. This is classified as a very important occasion where we witness fruit of hard work.

Photo Below is an audience in a church packed to its' capacity at a TEE graduation in the Western Highlands Province.

PLEASE PRAY WITH US;

- i. Pray for our TEE Tutors that God would protect and give good health and wisdom in their TEE ministry.
- ii. Pray that all registered TEE Tutors around the country to form TEE groups
- iii. Pray that many more Bible Colleges will incorporate the two year CCF into their curriculum
- iv. Pray for someone to sponsor a TEE staff to a attend a TEE conference in Nepal in October
- v. Pray for our TEE Net workers around the world for good health and strength.

Until next edition of "Everywhere" may God continue to bless you in your endeavor
